Guru Gobind Singh Children's Foundation

*on the occasion of their
Charity 5 or 10km Run & Walk
(August 26th, 2012)*

I applaud the hard-working members of the Guru Gobind Singh Children's Foundation who have undertaken the vitally important mission of raising funds for the underprivileged children around the World.

Organizations who strive to make a positive difference in our community lead by example. Keeping the younger generation connected to their roots requires vision, hard work and dedication. To all those in attendance for this run, I offer my special thanks for your dedication to the success of this important fundraising event.

Congratulation and best wishes.
