To Whom It May Concern,

On behalf of the Saint John Regional Hospital Foundation, we are very pleased to be part of the Guru Gobind Singh Children's Foundation's "Run Across Canada".

Saint John Regional Hospital Foundation has set a 2009 Rally of Hope goal of \$1.5 million to support a complete renovation of the Hospital's Neonatal Intensive Care Unit (NICU).

The NICU will be reconstructed to provide privacy for infants, mothers and families. The old baby incubators will be replaced with the most technologically advanced equipment and configured in eleven individual private "treatment pods".

The Guru Gobind Singh Children's Foundation's contribution to this very special project is greatly appreciated by all.

The Saint John Regional Hospital Foundation has approved the use of our logo, as well as the Rally of Hope logo in the promotion of the "Run Across Canada".
