Hi Bineesh,

I did receive the previous email but didn't see any need to respond as I already approved the fundraiser and do not have any further questions. Please be sure to let me know if you require any other info from me. Thanks again for your support and have a great day. Cheers.

Hi Jenine,

I was curious to know if you had received my email below with the special events proposal, as I haven't heard anything back from you.

Please advise to your earliest convenience.
