

Punjabi Idol: A Huge Success

FOR IMMEDIATE RELEASE

[Toronto, January 17th 2006] The Punjabi Idol Show was a sold out event, and there is only one way to describe the entire afternoon: A HUGE SUCCESS!!

Adults, children, youth, and entire families came to Markham Theatre to show their support for local talent, and also to raise money for the Guru Gobind Singh Children's Foundation (GGSCF). All ticket proceeds will be donated to the GGSCF, who will use the money to help purchase a van for the Navjivni School of Special Education – a charity the GGSCF currently works with to sponsor children.

Children and youth took to the stage to sing, dance, act, tell jokes, give speeches and much, much more. All of the performers were truly dedicated and put 110% effort into this event. They were able to have fun whilst raising money for those less fortunate. The community should be inspired by their tireless dedication and hard work.

The audience left the theatre with wide smiles after seeing the Punjabi Idol Show. The show has been referred to as a spectacular entertainment event with a meaningful message, and the Punjabi Idol team has already been approached with talent for next year's show.

The Punjabi Idol team would like to take this opportunity to thank the Sponsors and Volunteers for their support and contributions to this event. With your backing we were able to develop not just 'a show' but an amazing and exhilarating experience for all.
